# WOODSIDE PARK

# WELCOME

The Wadham Park Group is a multi-faceted racing and breeding operation with world-class facilities and a total commitment to professionalism, on the track and in the breeding barn. No stone has been left unturned in the development of the Wadham Park training centre at Tylden, and the nearby breeding farm, Woodside Park Stud.

Woodside Park Stud's state-of-the-art facilities were completed in 2007. This magnificently-appointed stud is located on 321 acres of prime horse country in central Victoria. The Woodside Park Stud team has set about developing the property into a stud facility the equal of any in Australia; we stand stallions suited to the unique competitive style of Australian and Asian racing; and we offer services and facilities second-to-none for our clients.

It is our philosophy to support every facet of the thoroughbred industry no matter what the level. This includes breeding, rearing and selling, breaking-in, pre-training and full training services (via Wadham Park). Visitors are welcome (by appointment) to inspect our magnificent facilities.

Wadham Park Nagambie, Northwood Road, is 500 acres of prime pasture on the Goulburn River. This superb, modern farm is used to rear our foals, and as a pre-training and breaking-in centre.

# WOODSIDE PARK

Woodside Park, Tylden, is a world-class thoroughbred breeding stud built on 321 acres of the most fertile soil in Victoria. We have strived for excellence from the day the first sod was turned.

This beautifully appointed stud farm was developed to provide the best possible facilities for our stallions and mares, and the bloodstock of our clients.

Woodside Park's spacious and beautifully laid-out paddocks are broodmare and foal safe. We offer our clients the best of veterinary care and expert horse management in an effort to achieve the best result – from the breeding barn to the sale ring, and to the winners' circle.

# WADHAM PARK

Wadham Park Victoria, located at picturesque Tylden in central Victoria, is set on 135 acres. The ultra-modern training facility is both brilliantly functional and state of the art.

The complex includes the most modern stabling for 80 horses; two 10-horse walkers; 20-metre sand roll; six-horse aqua walker; magnificent 50-metre straight swimming pool; 50 spacious and safe spelling paddocks; a 2400-metre Pro-ride track and a 2000-metre grass track.

Our commitment is to provide what is best for our horses and at the same time satisfy the needs of our clients, by combining the most modern technology with the traditional Australian training methods.

# FOALS

Econsul and Grey Swallow are producing strong, correct foals with great bone and athleticism. We are excited by the prospect of selling their yearlings in 2010. These three weanlings are just a sample of the quality of foals by these two young stallions.

► Econsul – Saliah filly

► Econsul – Evangeline colt

► Grey Swallow – Crepe de Chine filly
